Dear Friends, Families, and Staff in the Auburn School Department:

We are all shocked and saddened by the recent events in our community concerning one (1) of our students. I would like to take this opportunity to publicly thank the Auburn Police Department, whose team of officers prevented this tragic situation from becoming much worse.

Please know that the Auburn School Department is working closely with local agencies to provide support to our students and their families during this difficult time. Additional counseling services have been made available and we do offer the services of a school-based social worker to our students and families.

Thank you for your support for our students.

Sincerely,

Cornelia Brown
